RE: Failure of Ethekwini municipality to deal with sewage issues in Toti

Dear Sir /Madam,

I write this letter after realizing that our letter dated 20/04/2023 has as yet not been published in your newspaper. I have attached a copy of the letter sent.

Whilst we understand that there are editorial policy guidelines with regards to what you publish and the content to be published, courtesy is an unwritten script and we would have appreciated some form of acknowledgement of receipt and or a response as to why a letter to the Editor cannot be published.

Particularly as the letter was community aspects related and made no reference to any prejudices directed to anyone. Similarly, we also understand that you follow the guidelines of the Press Council, hence our interest in soliciting a reply as to the reason for not publishing our letter.

Your response would be appreciated.

Kind regards
